ORCAS Background

ORCAS Replaces ACTS - Current Requisition Processing System at FISC PS

Technical Support Authority:

- ❖ **NSLC DETPAC Tasked Apr 99 as Technical Support Activity (TSA)**
  - ✓ NSLC Pacific Commenced Software Programming   Nov 99
  - ✓ Two Sites - FISC & NSLC
    - » Original Production Start-up Date   Jun 00
    - » Original Target Implementation Date   Jan 01
  - ✓ System Training Commenced   12 Aug 02
  - ✓ Beta Testing Commenced   11 Sep 02

ORCAS Program Reviews

❖ *At Project Start – Quarterly User Working Group Meetings*

  ✓ Reviewed Requirements / Generated Trouble Reports / Resolved Issues

❖ *As Project Progressed – Semi-annual Program Reviews with User Working Group Members*

❖ *Current Program Direction*

  ✓ Weekly Project Status Reports

  ✓ Monthly Program Reviews

❖ *Last Program Review Held 15 Jan 03, at FISC Puget Sound*

  ✓ Concentrated on "Must Have" Programming Requirements

  ✓ Identified Additional Programming Requirements not Started yet

  ✓ NSLC PAC Provided Revised POA&M Citing new Implementation Date that Incorporates all Remaining Requirements

    » Received 17 Jan - New Implementation Date, **Jun 03**

  ✓ Agreed to Hold User Working Group Teleconferences every 2 Weeks (1st one held 29 Jan 03)

  ✓ Agreed to Hold next Program Review 26 Mar 03

ICP-M ORCAS Demo Results

❖ *Demonstrated ORCAS to ICP-M OPN-8 Transfer Team Members week of 13 Jan 03 at FISC PS*

❖ *Based upon this Review ICP-M Agreed:*

  ✓ ACTS not Exportable

  ✓ ORCAS will be Utilized in OPN-8 Transfer

  ✓ ORCAS to be considered in Re-engineered Allowance Process

  ✓ Need ORCAS Implementation ASAP

  ✓ 19 May 03, Begin ORCAS/ACTS Training

  ✓ ICP-M to Attend ORCAS PRs

Summary

❖ ***Continuing to Maximize Programming Efforts***

  ✓ Moving all Enhancements to next Release

❖ ***ICP-M will now Attend Program Reviews***

❖ ***Expediting Training Effort***

  ✓ SEALOG/FISC PS

  ✓ ICP-M

❖ ***Fleet Impact:***

  ✓ ORCAS will Streamline Outfitting Requisition Process

    – A more reliable System with reduced Human Intervention

    – More Flexibility to Filter Fleet Prioritized Outfitting Requisitions for Limited Funding

  ✓ Will Advise Fleet when Transitioning from ACTS to ORCAS

    – Downtime Expected to be Approximately 2 Weeks

    – Queries: Continue to Utilize FISC Web Page or Contact Phil McCormick
